The Class of 1948

MADISON HIGH

presents

**HIGHLIGHTS**

of 1947--1948

## To Our Teachers:

The Senior Class dedicates this collection of memories to our teachers who have helped a great deal with our struggle through the last twelve years. Even though some of the decisions and punishments given were resented, we know now that they were for the betterment of our character. We will remember these teachers always and we hope they will remember us, too.

SENIOR YEAR

## JUNIOR CLASS

Back row, left to right—Vernon Stoner, Richard Prescott, David Keener and Paul Lake.  
Middle row, left to right—Robert Wallace, Howard Shauver, Richard Crawley, William Green and Edwin Kaderly.

Front row, left to right—Ardis LeMaster, Marceil Prescott, Aletta Stoner, Wanetta Stoner, Alice Shaneyfelt and Mrs. Weibusch.

At last !! After spending a wonderful summer, the once Silly Sophomores, trucked back to school in September to take the position of Jolly Juniors. What a thrill it was to be considered UPPERCLASSMEN. About the first thing the Juniors did was to hold a class meeting for the election of officers. The results were: Aletta Stoner, president; Marceil Prescott, vice-president; Alice Shaneyfelt, secretary-treasure, and Mrs. Oscar Wiebusch, sponsor. On October 10, the Juniors held their party at the home of Aletta and Wanetta Stoner. The main event was the weiner and marshmallow roast and a joyous time was had by all. On December 10, the Juniors provided some entertainment for the public, by presenting a concert, with Mr. Zuercher and his all-girl Accordion Band. Following that, they then got busy selling magazine subscriptions. The next thing on the list for the Juniors was the making of Tomcat and banner emblems, which they sold with no trouble at all. On April 2, the Junior Class presented their play, "Quiet Everybody." And last, but not least, the Juniors had the responsibility of feting the outgoing Seniors. It was a gala affair and the Juniors hope it was something the Seniors will always remember.

## SOPHOMORE CLASS

Back row, left to right—Robert LeMaster, and Ronald Warren.

Middle row, left to right—Henry Brosher, Frank Keener, Darrell Williams, Billy Barna and Mr. Weibusch.

On August 29, 1947, an unlucky thirteen students entered high school to take the role of "Silly Sophomores." At the beginning of the term the class held an election of class officers and class sponsor with the results: James Stump, president; John Hilfiker, vice-president; Pauline Wehrly, secretary-treasurer; Mr. Oscar Wiebusch, sponsor.

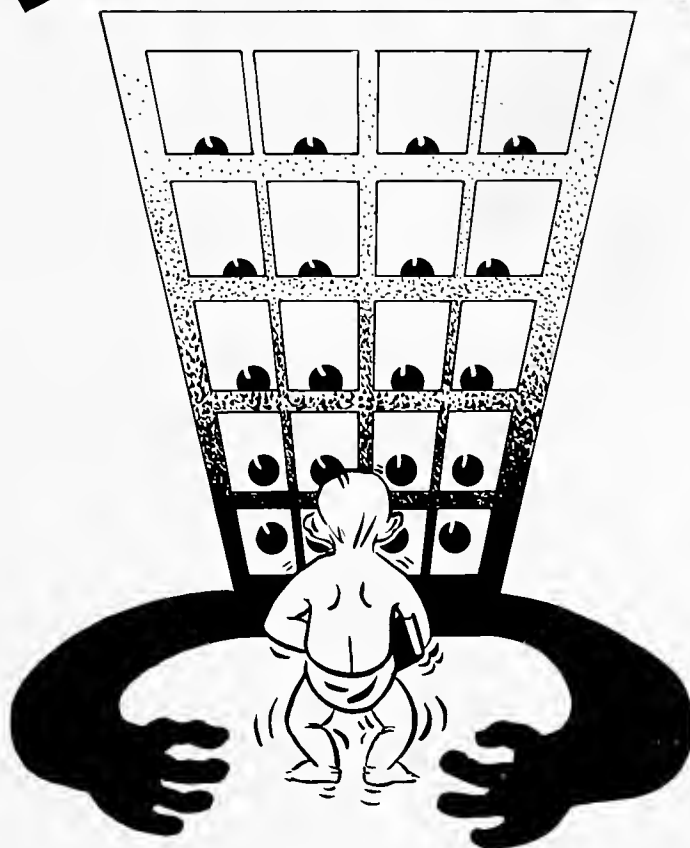

A weiner and marshmallow roast in LeMaster's woods on the banks of the Salamonia River was the event for the fall class party.

Ernestine Evans joined our class on October the twentieth. The seventh of January Bill Barna transferred to Rockford much to the sorrow of the Sophomores. To lessen the sorrow another new member was added, Phyllis Nixon on February the second.

This spring the Sophomore Class had the pleasure of ushering for the Junior Play and providing some of the entertainment between acts.

The class ended its activities with a spring class party held at the home of its sponsor, Mr. Oscar Wiebusch.

August 29, 1947 found a new happy group of youngsters assembling at Madison. This class was no longer to be known as the eighth grade but, for the year, as Madison Freshmen.

Three new faces were present; Barbara Chew, Robert Bickel, and Darwin Mays of Salamonia.

We chose as our sponsor Mr. McLaughlin; President, Leona Raszkowski; Vice-President, Priscilla Rench; and Secretary-Treasurer, Wavalene Whitacre.

On October 10, 1947 we all enjoyed a weiner roast held at the school house. Shortly after that Patricia Figel moved to Anderson, Indiana, which left us with only fifteen members.

All of the Freshman boys joined the basketball squad and Oakland Roberts was placed on the first team.

We were very much pleased that one of our new members, Barbara Chew, was elected one of the cheer leaders for 1947-48.

A green Glee Club of twenty-five girls was tossed together soon after Christmas vacation by Mrs. Sweeney. It was peppered with knowledge of notes and time, for seasoning, and was soon tried at Farmer's Institute. The taste wasn't quite right and new pieces of material were purchased as work was started again this time three-part music was tried. When almost ready to give up in despair, someone turned on the light. What it needed was men. A group known as the Barber Shop Quartet was formed and these plus four others made up what is an addition to the Glee Club. The Glee Club sang at our annual Athletic Supper and at the Commencement and Baccalaureate.

One of the oldest organizations at Madison High is the Booster Club. Each year the Booster Club provides transportation at a nominal cost for its members to the athletic contests away from home and at the completion of the Athletic season it sponsors a banquet honoring members of the teams.

The Banquet, the highlight of the school year as far as athletics is concerned, is a community project and each year more than three hundred fans gather at the gym to honor members of the teams.

John Lewellen, an assistant professor of education at Ball State Teachers College, was featured as the speaker at this year's banquet. He emphasized the necessity for working harder in practice than will ever be expected of one in a contest.

The Boys Quartette made its first appearance at the banquet and were well received. The evening was rounded out by Tommy Hunt with his mischievous rabbit, Mrs. Sweeny, June and Jerry Macklin and their instrumental numbers, and several numbers by the Girls Chorus.

The activities of the year were directed by Robert Stump who served as president, Aletta Stoner, vice-president, Ruth Ann Morehous, secretary-treasurer, and Mrs. Kennedy, sponsor.

The baseball team of the fall of 47 walked off with the first game by skunking Bryant 10 to 0 on the fifth day of September. Our second game at Gray was a sad victory for us with a score 10 to 7, but because of certain circumstances, an inelegible player, these games had to be forfeited. The third game at Pennville September 12, we lost 4 to 5. Redkey came to our diamond September 16, only to defeat us 7 to 1. The team played the fifth game at Poling Sept. 19, and we won with a score of 22 to 7. Bryant invited us to their diamond September 23, to defeat us 15 to 4. Pennville came to our diamond September 30, to defeat us 8 to 3. We went to Redkey October 3, and defeated them 11 to 2. Poling came to our diamond October 7, only to get defeated 25 to 6. Fort Recovery came to our diamond October 8, for our eleventh and last game of the season, and they beat us 10 to 5.

# Highlights of 1947-48 Basketball Season

The Madison Tom Cats started the season off with a thud instead of a bang by being defeated by Saratoga and Redkey by rather large margins. Gray defeated the Tom Cats by a very close score after Madison had lead most of the game.

The Bryant ball game was a different story; at last the Cats got into the winning column but their joy was short-lived because the next ball game found them pitted against a team from Pennville. Madison started off this game with several quick baskets and it looked like an easy one, but the Bull Dogs came back gamely and defeated the Cats.

Here is another one of those games when the Cats took off to a flying start and it looked bad for those Cossacks from Ridgeville; the complexion of the game soon changed, but the Cats fought gamely and never were very far behind.

Another of our happy memories was the Poling game which was played at our home gym. Madison led most of the game, and it looked pretty bad for Poling. But back they came the last few minutes and got ahead by one point with eight seconds to go. Billy Barna was fouled by a Poling man and had two shots coming. What a spot, one point behind and the game counted on these two shots. But why worry, Billy hit them both. Here comes the shock, Barna had missed SIX STRAIGHT FOUL THROWS. We won the game.

Our Jefferson (Adams) game was another thriller. The Cats led most of the game and

it looked like another one for the win column, but Jeff came back to within one point of defeating them. Prescott, one of our prospects for next year, had not scored during the first half; but he made up for it the last half with sixteen points. Ten of them came in the last quarter.

We won two more games during the remainder of the season by bettering the Alumni and Poling again.

Among the highlights of the second team games were, when playing Roll the Kittens used only three men on offense during the last half to stop Roll's fast break attack. The amazing thing was that we played right with them the last half. Pennville's seconds and Madison's seconds battled right down to the line with Penn coming out on top by one point after having led by a score of 8-1 at half-time.

One nice thing about having a basketball team is that if one team isn't so hot then you can have a better one the next year. Madison prospects look very good with three of the regulars coming back and several more boys who looked very good in games played this year. Richard Prescott, Richard Crawley, Howard Shauver, Robert LeMaster, Oakland Roberts and Ronny Warren are very likely to be on the first string. Another promise for the future is the fact that the second team will be made up of all sophomores. The boys looked very good in some of the games played, and with a little more experience they could turn out a winning combination.

# CLASS HISTORY

September 2, 1936, the Senior Class entered school for the first time, and were under the supervision of Mrs. Mabel Ickes. We wandered around shyly for a few days but we soon became accustomed to our new adventure. Very few of us succeeded in keeping our names off the blackboard because of whispering. Ruth Ann Morehous, Henry Powell, and Ruth Hess are the only remaining members of that beginning class.

Our second grade tears and troubles were told to Miss Marie Bibler, who steered us safely through that year, and prepared us for grade three.

With all the curiosity of our new room and new teacher we took on the subject of English under the instruction of Mrs. Doris Harruff Freemyer. She guided us for the next two years. During these years the teacher was kept very busy trying to decipher the "puppy-love" notes which she found in very unusual places. Mary Marie LeMaster joined our class in this, our third year.

With more knowledge now than ever, we proceeded to grades five and six with Mr. Dale Marsh as our first man teacher. There still seemed to be "puppy-love" notes circulating, but we were more experienced at it now, and that meant less for our teacher to read. We were nearly "grown-up" by the end of the sixth grade, and with Gladys Smith added to our class, Mr. Marsh prepared us for "upstairs."

All "grown-up" and ready for anything, except those class bells, we managed the seventh grade very nicely with Frank Ballard Jr. being admitted to the class. Miss Blanche LeFever was our class sponsor.

Our last year of elementary school went by quickly, with Mrs. Thelma Kidder Wiebusch as our class sponsor. We welcomed Robert Stump and William Wallace into our class.

The next year we were in High School with the title of "Green Freshmen." A weiner roast was the occasion of our first class party in the Fall, with our sponsor, Mr. Clarence McLaughlin, and his "ghost stories." Romona Shauver, coming from Salamonia, became a member of our class this year. Our class was represented in a Christmas Program, in December, with Mrs. Ruth Glunt directing. We all passed this grade successfully, including Algebra.

As "Silly Sophomores" we got by with Health and Safety, even though we weren't "emotionally grown-up." Mrs. Ruth Glunt was our class sponsor and we enjoyed two more parties. The girls were given the privilege of serving the dinner at the Junior-Senior Reception held in Union City. With much coaching from Mrs. Bernice Fennig, our Home Economics teacher, we successfully accomplished this task. We were glad to receive two more members that year, Carolyn Black and Roberta Shaneyfelt.

When we became "Jolly Juniors" we discovered how to manipulate the typewriters. With Mr. Robert Wehrly, our sponsor, we were out to make money. We sold magazine subscriptions, Tomcat badges, and Tomcat T-shirts. In April, we entertained the Seniors with a formal reception at Portland, Indiana. Our biggest event was our performance in our Junior Class Play, "Seeing Double," under the direction of Mr. Wehrly. On November 19 our class rings began to shine all over Madison. We went to a football game for our class party and later went to the home of Mr. Wehrly and made several recordings.

As "Dignified Seniors" we tried our best to uphold our title, and kept Mr. Wehrly as our class sponsor. Our class membership has remained the same during our Junior and Senior years. We had our class party on October 10 with a hay ride and a weiner roast. We sold chances on turkeys for Thanksgiving and Christmas for a little extra money. We also sponsored a paper drive on December 18.

At the beginning of the second semester we started gathering material for "The Highlights of 1947-48.

We enjoyed being guests at our first Alumni Banquet on March 27. On April 23, we presented our class day program and the following evening we were entertained by the Juniors with a formal reception at Union City. Our Baccalaureate was on Sunday evening, April 25, and Commencement was held on April 29.

Our school days are now over. At times we seemed ready to give up and perhaps a bit discouraged, but in all, they have been the best years of our lives. They will probably be unequaled in our future life work.

## CLASS PROPHECY 1948

Too eager to wait the required length of ten year, we, the Senior Class of 1948, decided unanimously to see what was in the future for us. We all jumped in Wehrly's Dodge and turned toward the fortune teller's home.

We sat around her table to have our palms read. "One at a time," she begged, "the presence of more than one disturbs my contact." Standing back, we listened.

After receiving a list of our class members she started down the list.

"Frank Ballard," she called. Stepping forward he answered, "Present."

"Ah," she said, gazing intently, "I see you, in apron, early in the morning, dusting the tables of a restaurant of which you are joint proprietor. And the sign reads 'Ballard and Powell—Foods of Quality'." (If you can't find a hamburger, here is a magnifying glass.)

"Next!" she exclaimed, "Carolyn Black." Carolyn appeared looking scared (as usual.) "I see a picture of you walking across a stage, carrying a lantern. Coming to your line, you are saying, 'Van, (Johnson) this lantern won't throw shoe.'"

"That's bad," he says, "but we don't need a light, the moon is bright enough. You have a great acting career ahead of you."

Ruth Hess was then beckoned.

"A secretary," the gypsy reported, "for a U. N. Representative; it is a member of your class, but I cannot see the name. You shall be known as a great worker."

Ruth Ann Morehous was next in line. "I see an invitation in your hand. It requests your presence at a tea given by the wife of the President of the United States to be given at the White House. Your husband is the Secretary of State and you are well known."

"Mary LeMaster," she called. "Yes, a Chopin the second! Greatest musician America has known.' You are playing in a large auditorium. Thousands of people from far and near have come to hear your music. You shall be remembered."

Henry was next. "Powell, half owner of the Ballard—Powell Restaurant. You are the sole entertainer. There need be no other. You are a great comedian indeed Bob Hope is fast losing ground. Your radio program is called 'Powell's Punches.'"

Roberta Shaneyfelt was then asked to report.

"I see in your future a young man. He is a rocket pilot. You are the stewardess of his rocket plane. You own a large home just out of Washington, D. C."

"Romona Shauver," called the fortune teller. When Ramona came forward, she said, "You are to be recognized by many as the greatest dress designer of all times. You shall live in the heart of New York City and be high in social life. Your penthouse is indeed beautiful and you shall entertain much."

Gladys Smith was asked to come forward. "Here is a singer," she remarked. "You will be a great alto soloist in the Metropolitan Opera. You will have a radio program but with much competition; Henry's program is the same hour."

As Bob started to her table she said, "Robert Stump, better known as 'Babe Ruth the second. A great ball player indeed. You are pitcher for the 'New York Midgets' who have won the world championship for the last five years. Sports fans yearn for your autograph."

"Here is that P. N. Representative," she declared, as Bill Wallace stepped up. "You have been very successful in your dealings with Russia; you have put off war many times and have now made them our friends. The American people are much indebted to you."

"Thank you," we all sang out starting back to Madison to report the news and to await eagerly our bright future.

I, Robert Lowell Stump, will my ability to get dates, in a round about way with the good looking girls, to Edwin Ronald Kaderly and Paul Edwin Lake.

To our teachers who have lead us through the years we do hereby bestow our gratitude, our memory, and the knowledge which we left in our books.

To Mrs. Marjorie Sweeney we will our ability to keep together in group singing.

To Mr. Clarence McLaughlin we will our ability in Commercial Geography to draw maps to suit his taste.

In witness whereof, we the class of 1948 do hereby agree the above to be our last will and testament and do set our seal of eternal memories on this 23 day of April, One Thousand Nine Hundred and Forty-eight.

(Signed)

Roberta Shaneyfelt
